

YOU Make the Difference

Kisses For EB would not be able to bring awareness or assistance without your generous support.

We are a 501(c)3 charitable organization dedicated to bring assistance to individuals and families living with epidermolysis bullosa, a rare genetic disorder that causes blisters and tears of the skin for which there is no cure, 75% of one's body may be covered in bandaged due to EB.

What is it like living with skin so fragile that any friction causes blisters and wounds so painful that it feels like a 3rd degree burn that never heals. What length would you go to have relief?

We invite you to participate as a Sponsor of the 7th Annual Butterfly Trail Run/Walk. This event is to raise money for Kisses for EB. The event will be held at Lancaster County Park on **April 22, 2023** with kick off starting at 9am.

This is Kiba, these pictures were taken a few weeks ago.
